DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest an adjusting unit to match an image forming relation between a reference plate and a reference mark through a projection optical system to an image forming relation between the mask substrate and wafer through said projection optical system and an optical modulation member to influence an image forming relation between the mask substrate and the wafer through said optical system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
